The San Francisco Vocational Co-op is a collaboration between San Francisco Behavioral Health Services (BHS) and the California Department of Rehabilitation (DOR). Together, we partner with RAMS Hire-Ability, Citywide Employment Program, Caminar Jobs Plus, PRC Employment Service, and Occupational Therapy Training Program- (OTTP) to provide comprehensive vocational services to SF residents receiving BHS. All clients will be enrolled in DOR for employment services, once authorized by a DOR counselor. Services will include:

Employment Services - includes vocational intake assessment, employment preparation, job development and employment retention.

Vocational Assessment – assesses client’s current educational, vocational levels, abilities and interests.

Job Coaching – provides intensive assistance and support in employment-related activities to promote job adjustment and retention.
